Virtual Internships

Virtual Internships aims to be the leading provider of virtual internship programs. We are committed to fostering a community of global career-ready graduates with tangible skill sets and international competencies.

All students on our Virtual Internship Program are invited to:

- Complete a remote project-based internship within their chosen Career Field
- Complete our award-winning online curriculum, CareerBridge, based on the 8 NACE Career Readiness Competencies
- Attend fortnightly Global Employability Expert Webinar series
- Engage in two coaching calls for increased goal setting and career management
- Work with a vetted and supported global host company building remote work skills
